- BEACH

H-8253 RÉVFÜLÖP, HALÁSZ U. 5.

LOCATION: The campsite is directly on the beach on the northern shore, very close to the hiking areas of the Káli Basin. In 2019, we **added an area of** nearly 1 hectare packed with beautiful natural features, increasing the number of camping places with shade.

SERVICES: The campsite has its own beach along **with a sandy mini lido and a renovated children's pool**. In 2019, the **sanding works of the watercourse** made the beach experience more comfortable. In the high season, special animation programs and **colourful programs** await our guests. A grocery store, a gift and beach supplies shop, a restaurant, a snack bar, a massage option and a hair salon are also available right at the campsite. Sports facilities: volleyball court, water basketball, five-a-side football, mini golf, trampoline as well as go-kart, pedalos, stand up paddle and kayak rental. In 2020, an **outdoor reception** area was created, and the range of free services was expanded with a **floating pier**, as well.

ACCOMMODATION TYPES: At the campsite, **rental tents, mobile homes** of several sizes, **waterside pitches** are available for reservation apart from traditional pitches and **tent places**. The pitches are of different sizes.

ATMOSPHERE: This campsite is a real **jewel case** with a family atmosphere and trees providing shade, and we offer children-friendly services. We recommend it to guests coming with a family, as well as to those who like the easily viewable areas, the friendly atmosphere and the surroundings ideal for hiking.
